To Whom It May Concern:

Re: Michael "Dyana- Mike Lackey

It is my pleasure to give "Dyana- Mike" my highest recommendation. His magical presentations are amazing and highly entertaining. Students, staff and parents were impressed with the quality of his magic and his forceful way in teaching, encouraging, and supporting the students that accompanies his presentations. He speaks to the students with enthusiasm on a variety of important life skills in a delightfully entertaining manner. He instills in the students the same messages that teachers are teaching, i.e., conflict resolution, peer pressure, saying no-to-drugs, etc., in such a way that is refreshingly different for students and staff.

I would be pleased to have Mr. Lackey return to Kosciusko Elementary School to again educate and entertain my students.

Sincerely,

Dr. Pamela A. Wilkins
Principal
