Dear Mr. Lackey:

On behalf of the Detroit Police Officers Association, I would like to thank you for your magnificent performance at our Annual Kiddies Christmas Party, held at the Roostertail on December 8, 1996.

It was delightful to see so many of our members and their children, watch in awe, as you performed magic, created illusions, inspired and motivated our children. The children and adults were most fascinated with the live animals involved in the various acts.

At the conclusion of your performance, you were most considerate in staying, ensuring that each and every child received an air filled balloon, and answering the many questions that they had. The feedback from our members has been overwhelming.

Once again, thank you, and we look forward to having you again at future Association functions.

Sincerely,

DETROIT POLICE OFFICERS ASSOCIATION
