Mr. Michael Lackey
14528 Mack Avenue

Dear Mr. Lackey:

I am writing you, although belatedly, to thank you for the way you bedazzled my daughter and her guests at her Sweet Sixteenth Birthday Party this past September.

As you know, we selected you from the internet, in the absence of any personal testimonies and references. Within fifteen minutes, I heard people (adults and children) asking the name of the magician. I replied his name is, Michael Lackey, but his stage name is "Dyna-Mike." This inquiry was raised by our guests throughout the night. Everyone was amazed by your personal magic tricks, your magical rabbit, your enthusiasm and your professionalism. I have whole-heartedly referred your name to several of our guests, and will continue to recommend you to anyone who needs a magician in the future.

Thank you again, for enhancing my daughter's Alice in Wonderland theme, and for transforming her party into a magical reality.

Sincerely,

Deborah Geraldine Bledsoe Ford
