To Whom It May Concern:

I highly recommend Dynamike as a magician who can thoroughly entertain audiences, especially children, and provide a wonderful memory to treasure.

Dynamike has performed for the Mariners Inn Strengthening Families Program several times and has never failed to put a smile on everyone's face. His magic tricks with animals are a special favorite of the kids.

We sincerely appreciate his efforts which helped make our events both fun and unforgettable for everyone in attendance and we look forward to working with Dynamike in the future.

Sincerely,

Stephen Van Every
