

## THE PARADE COMPANY

February 7, 2012

To Whom It May Concern:

As producers of the 2011, River Days Festival "Kids Zone", we hired Dyna Mike the Magician to provide children's entertainment throughout the weekend. He was professional and great to work with. The crowd loved him and we had a packed tent every time he performed.

I would definitely recommend Dyna Mike (Michael Lackey) for children's or overall event entertainment if you are looking for a wonderful magic performance.

Sincerely,
